RETINAL: a gentler form of retinol (vitamin A) known to reduce the signs of ageing. Minimises fine lines and wrinkles and improves skin elasticity without irritating the skin.

SUPER GREENS COMPLEX: an antioxidant rich blend of upcycled olives and kale sprouts. Packed with vitamins, minerals, proteins, and antioxidants which help combat the negative effects of oxidation on ageing and enhance skin radiance.

TREHALOSE: mimics the skin's Natural Moisturising Factor (NMF). When applied to the skin, Trehalose allows it to retain moisture, protecting against dryness and helping to reduce the visible signs of ageing.

VEGE CERAMIDES: help repair the skin barrier, and increase moisture levels, reducing skin dryness and soothing skin conditions such as eczema, rosacea and dermatitis.

PROBIOTIC MINERALS: boost collagen, minimising the appearance of fine lines and wrinkles and restoring firmness and elasticity to the skin.
