

ecozone®
Since 2000

4
uses

enzymatic kitchen drain unblocker

- ✓ Cuts through tough blockages in the kitchen.
- ✓ Breaks down fat, food, soap, grease & more.
- ✓ Non-toxic & non-corrosive solution.
- ✓ Made with natural enzymes*

How to use

1. Shake well to activate solution.
2. Flush the drain with 1L of hot water before use.
3. Follow up with pouring ¼ (250ml) of the bottle of drain unblocker down the plug hole.
4. Leave overnight or no less than 8 hours, then flush through with 1L of hot water to clear.
5. Repeat treatment if necessary.

Once drain is cleared from blockages, follow up with a preventative dose every three months & use our Enzymatic Drain Cleaning Sticks for monthly maintenance.

More about our Drain Unblocker

Ecozone's Kitchen Drain Unblocker is a **natural enzyme-based treatment** for blocked drains. It has an advanced septic tank safe formula containing specially developed ingredients that cut through tough blockages, breaking down fat, food, soap, grease & other organic residues.
