Lactic acid bacteria
30 chewable tablets
with 20 µg vitamin D₃ per tablet
Orange flavoured

BioGaia® Protectis® tablets with vitamin D is a food supplement containing the patented lactic acid bacterium *Limosilactobacillus*** *reuteri* Protectis® (*L. reuteri* DSM 17938).

* Vitamin D contributes to the normal function of the immune system, maintenance of normal muscle function and maintenance of normal bones.

**Previously named *Lactobacillus*

Recommended daily dose: 1 tablet. Recommended daily dose should not be exceeded. Excessive consumption may produce laxative effects. It is important to maintain a varied and balanced diet and a healthy lifestyle, and food supplements should not be used as a substitute for a varied diet.

Ingredients: Bulking agent (isomalt), sweetener (xylitol), *L. reuteri* DSM 17938, vitamin D₃ (cholecalciferol), orange flavouring and flavour enhancer (citric acid). *Free from gluten, milk protein and lactose.*
