Enhanced Hydration With Gut Health Benefits

Directions: Mix 1 sachet (4.5 g) of powder with 500 ml of water. Shake or stir well before drinking. Consume 1 serving per day.

This refreshingly delicious hydration powder is packed with vitamins and electrolytes to support both the mind and the body. In addition to supporting energy, performance and recovery, this dual-action formula helps to support gut health and digestion. Magnesium contributes to normal muscle function and electrolyte balance. Potassium contributes to the maintenance of normal blood pressure. Vitamin B5 contributes to normal mental performance. Vitamin B12 contributes to normal psychological function and the reduction of tiredness and fatigue. Calcium contributes to the normal function of digestive enzymes. Liquorice Root Extract helps to maintain balance and comfort in the digestive systems of people with sensitive digestions.

Zero Sugar / Gluten Free / Suitable for Vegans

Storage Instructions: Store in a cool, dry place.

Batch / Best Before End: see bottom of pouch.
