### Title

Beco Plush Seagull Dog Toy Medium

### Description

Meet Sandy, a cute and squeaky soft toy that's great for a snuggle. Its legs give your dog a little something extra to have fun with and throw around. Reinforced seams and double-layered cloth give it an extra bit of strength. This bird buddy can't wait to be your dog's new best friend. This toy is made with 83% recycled materials, giving waste another (more playful) life.

### **Further Information**

# The stuffing of this toy is made from recycled materials, giving waste a second life and encouraging its reuse. The panels are woven together with double stitching and the seams are reinforced with a second layer of cloth. On top of the reinforced seams, the cloth itself is double layered to give extra resilience against chewers. As hardy as they come, so your dog can have double the fun.
