Flavour & FUNCTION

At Ossa Organic we believe in natural & restorative food.

We know that slow cooking our bone broth the traditional way helps release collagen, gelatin and other valuable nutrients which can support gut health. We source only organic and pesticide free ingredients.

This soup has carefully selected garden vegetables for a balanced flavour and we add a dose of green, leafy kale: alkaline, low in glycaemic load and high in fibre and iron.

Catherine

Catherine Farrant,
Founder.

FOR BEST RESULTS HEAT ON HOB

or decant into a cup and microwave for 2 min (900W)

Please take care with hot liquids

Frozen: Store in freezer. Enjoy by thawing in fridge (use within 7 days). **Chilled:** Store in the fridge and consume 3-5 days once opened. Not suitable for refreezing.

* **FREE FROM** - Produced in an environment where nuts and other allergens may be used in other recipes.
