Cardio-K

Classic Formula

Classic formulation Cardio-K is based on the original formulation containing two active ingredients, Monacolin K: Derived from a standardised, high purity Red Yeast Rice Extract & Co Enzyme Q10. Each capsule provides 2.5mg Monacolin K and 10mg of Co Enzyme Q10.

Monacolin K: Derived from a standardised, high purity Red Yeast Rice Extract. Studies have shown that Red Yeast Rice products are well tolerated. It is important to choose a product with a standardised content of Monacolin K.

Co Enzyme Q10 is a naturally occurring nutrient found in each cell of the body. In addition to playing a significant role in the energy system of each cell Co Enzyme Q10 is also believed to have antioxidant properties.

Nutritional Information Each Capsule contains:	Per Capsule	%NRV
Red Yeast Rice extract providing Monacolin K	83.3mg 2.5mg	** **
Co Enzyme Q10	10mg	**

*NRV: Nutrient Reference Value ** NRV not established
