

Product

Name	Organic Gluten Free Millet Grain
Description	Just Natural Organic Gluten Free Millet Grain are carefully selected from only the best producers around the world. Millet is often at risk of cross contamination with gluten as they are frequently processed in the same facilities as gluten containing products. Our Gluten Free Millet comes from producers who use dedicated gluten free processing lines and gluten testing at a number of steps during their production to ensure our product is below 20PPM Gluten content. We are certified by Coeliac UK and our processes are audited annually to ensure we are producing a safe product for those who are allergic or intolerant to gluten.
