

MU13256 Neocell Advanced Collagen Peptides

Neocell Advanced Collagen Peptides 200g Powder (Dose 5-10g)

OVERVIEW:

NeoCell Super Type 1 & 3 Hydrolysed Bovine Collagen Complex Powder provides targeted support for skin, hair, nails, and joint health. This unflavoured, easy-to-mix powder is rich in bioactive collagen peptides that help maintain skin elasticity and firmness while promoting strength from within. Fortified with vitamin C to aid natural collagen synthesis and hyaluronic acid for enhanced hydration, it's a daily beauty essential for those seeking to restore a youthful glow and support overall vitality.

KEY INGREDIENTS & BENEFITS:

Hydrolysed Bovine Collagen (Types 1 & 3): Supports the structural integrity of skin, hair, nails, and connective tissues, promoting elasticity and resilience.

Vitamin C (Calcium-L-Ascorbate): Essential for collagen formation and antioxidant protection, helping to maintain healthy, glowing skin.

Hyaluronic Acid (Sodium Hyaluronate): Retains moisture within skin cells, improving hydration and smoothness from the inside out.

Unflavoured Formula: Blends effortlessly into water, smoothies, or juices, offering flexibility in daily use without affecting taste.

DIETARY:

Dairy Free

Wheat Free

ALLERGENS:

None. Please refer to ingredients in bold.

ADDITIONAL INFORMATION:

For adults, mix 5g (approx. 1 teaspoon) with 250ml of water. Consume once daily, preferably with a meal. Do not exceed the stated dose.

Packaging is 100% recyclable.

Made in the EU under GMP and BRC accredited standards, ensuring top quality and safety.

INGREDIENTS:
