Elderflower Cordial, 500ml

Product Description

Elderflower cordial, made with 100% organic, hand picked elderflowers, grown especially for the purpose, on our family farm in East Sussex, England. We are passionate about nature and wildlife and have allocated parts of the farm specifically for creating a species rich grassland that encourages wildlife. The cordial has a fresh floral aroma, that captures the essence of warm summer days. Blended and bottled in the UK.

Description & serving recommendations

Pasteurised, non-alcoholic, cordial for dilution with still or sparkling water (recommended dilution rate: 1:6 to 1:10) or to use as a mixer ingredient, in cocktails, mocktails etc. Can also be served with hot water or used as a culinary ingredient. See our website for recipes ideas.

Ingredients Declaration

Water, Sugar, Elderflowers, Lemon Juice, Citric Acid.

Allergen Information

Our products do not contain any of the 14 officially listed allergens detailed in Annex II of Regulation (EU) No 1169/2011 of the European Parliament and of the Council.
