

PUMPKIN SEED OIL

90 SOFTGELS / 3000mg

Pumpkin Seed Oil 3000mg - 90 Softgels - 100% Cold Pressed - No Additives (3 Months Supply) - Resealable and Recyclable Pouch - by Alpha01

PRODUCT DESCRIPTION

While the pumpkin is regarded more as a Halloween prop than a regular source of nutrition, its seeds have become a popular snack due to their highly nutritious oil content. This formula contains 3,000mg of pure pumpkin seed oil in each serving, providing 1,500mg of the essential omega-3 fatty acid Linoleic Acid. The oil has also been extracted using a cold-press so that it retains its natural purity, potency and full range of nutritional benefits.

FORMULA OVERVIEW

Embrace the nutty essence of pumpkin seeds with this nourishing oil supplement. Three easy to swallow softgels provide 3000 mg of cold pressed pumpkin seed oil, containing roughly 1500mg of omega 6 linoleic acid for a plant based unsaturated fat profile. The oil is extracted gently, without heat or solvents, to preserve its natural balance of oleic and linoleic acids and its deep green colour. Only two ingredients are present: pure pumpkin seed oil and a bovine gelatin softgel shell with glycerin and purified water, ensuring clarity and integrity. Each Resealable and Recyclable Pouch contains 30 servings, offering a measured, taste free dose that integrates smoothly into meals or daily rituals. The softgels are convenient to carry and swallow, making them an effortless addition to a mindful diet. Made in the EU with non-GMO ingredients and produced under GMP standards, this product provides a straightforward, modern way to include unsaturated fats in your routine.
