

DIRECTIONS:

As a food supplement, we recommend taking one to two capsules twice a day with food, or as directed by your healthcare professional. Please do not exceed suggested servings.

IMPORTANT:

Keep out of direct sunlight in a cool, dry place. Keep out of sight and reach of young children. Always consult your GP before taking food supplements, especially if you are taking medication or are pregnant or nursing. Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.
