Microbiological Standards (NB product is not routinely tested):

Organism	Target	Reject
<i>Salmonella</i> spp <i>E. coli</i>	Not Detected in 25g ≤10 cfu/g	Present in 25g > 10 cfu/g

Morning Foods products comply with all applicable and relevant current legislation in Great Britain – specifically this will be the legislation in place at the final Packing Site (where there may be divergence of applicable legislation within Great Britain).

This product is packed in England.

Conformance to legislation in other countries should be verified prior to use, and is the responsibility of the customer.

Morning Foods does not certify its products as being suitable for infants and young children (i.e., those under three years old) or those on special diets. Any use of Morning Foods products for these specific categories must be verified by the customer.

Exports to the EU

Morning Foods declares that, except where otherwise clearly indicated, this product is of United Kingdom preferential origin.

Where present:

- Dairy components are 100% UK/EU origin.
- Any non-UK/EU Honey is present at <15% and is therefore within rules of origin general tolerance provisions.
- Any non-UK/EU originating sugar is present at <40%
- Inulin is present at <20%
- Any non-UK/EU originating rice flour is present at <20%

Morning Foods, Crewe, Cheshire, CW2 6HP, United Kingdom.
