

## How to use

Simply empty your refillable product pouch into the dispenser. Be sure to wash the dispenser thoroughly in between use cycles with a small amount of our Bower washing up liquid and warm water. Do NOT machine wash.

---

## Why we love our dispensers

We love our reusable dispensers because they last as long as you'll take care of them. This bottle will help you to eliminate plastic waste from your home - simply fill with your favourite Bower product and return your pouch to us in the supplied pre-paid envelope to be cleaned, sterilised and reused!

---

## Eliminating ocean-bound plastic

**With every Bower order we work with our partners CleanHub to prevent ocean-bound plastic waste.**

We have committed to stop 10,000 kgs of non recyclable plastic from entering our oceans this year. Bower Collective enables the safe collection and recovery of ocean bound plastic waste, working directly with waste-picking communities in Kerala, India. Your contribution, through your order, supports clean environments and creates sustainable jobs in the global south.
