

ORGANIC NETTLE EXTRACT

120 CAPSULES / 500mg

Organic Nettle Root Extract 5000mg - Potent Urtica Dioica Extract Formula - No Additives - Non-GMO, Halal, 120 Vegan Caps

PRODUCT DESCRIPTION

A potent source of biologically active compounds, including terpenoids, carotenoids and fatty acids, the nettle has a long history of food use dating all the way back to the Saxons. While fresh nettles can produce a painful stinging sensation upon contact, dried nettle extract is safe to consume and the 'sting' has been removed. Each capsule contains the botanical equivalent of 5,000mg of organic nettle root.

FORMULA OVERVIEW

This high potency nettle supplement distils the robust qualities of Urtica dioica into a minimalist capsule. Each capsule provides a 10:1 extract equivalent to 5000 mg of organic nettle root, concentrated consciously to preserve its active compounds without harsh processing. The extract is mixed with organic brown rice flour and contained within a vegetarian hypromellose shell, ensuring a clean, additive free formulation. There are 120 servings in each resealable pouch, offering convenient, measured doses that integrate easily into daily life. The capsules are taste free and simple to swallow, allowing you to experience nettle's plant power without brewing teas or handling powders. Crafted in the EU with non-GMO ingredients and produced under GMP standards, this supplement aligns with Alpha01's commitment to purity, intentionality and a modern approach to traditional herbs.
