

DIRECTIONS:

Take one to two capsules daily with food or as directed by your healthcare professional.

IMPORTANT:

Keep out of direct sunlight in a cool, dry place. Keep out of sight and reach of young children. Always consult your GP before taking nutritional supplements, especially if you are taking medication or are pregnant or nursing. Do not exceed suggested servings or use as a substitute for a varied diet.

BEST BEFORE END: See Base. Store in a cool, dry place.
