Mooncup® Heavy / Night Pads with Wings

As absorbent as the leading brand. The same daytime protection but without the irritants or plastics.

These pads have specially designed leakproof barriers to lock in blood and prevent leakage around the edges.

Made with a 100% organic cotton topsheet and an FSC certified cellulose absorbent core. Zero SAPs. Zero fragrances. Zero dyes. Zero petroleum plastics.

Clinically proven to prevent irritation. Zero irritants. Vagina approved.

These pads biodegrade in a year even in landfill.

How to use

Remove the pad from the tissue wrapper by peeling off the backing strip. Use the adhesive underside to attach the pad to the internal tongue of your underwear and wrap the wings around the underneath of your underwear.

Ingredients

Topsheet: 100% GOTS certified organic cotton.

Absorbent core: FSC cellulose.

Leakproof back sheet: cornstarch.

Adhesive: non-toxic, latex free and rosin free.

Waxed release paper. Tissue wrapper.

We use only the best science-backed ingredients for vaginas and vulvas. No irritants. Zero. Nada.
