INFORMATION:

The turmeric (from the root) has been infused into the coconut oil.

It is Organic Extra Virgin, Cold Pressed, Raw and Unrefined and has 80mg of curcumin in each jar.

Turmeric has been used for centuries for its anti-inflammatory and cleansing properties.

ETHICALLY SOURCED:

Ethical sourcing is core to everything we do - £2 goes directly to farmers for every litre of our oil sold. We buy our coconuts directly from farmers and work to create jobs in local communities.

As a little extra, no monkeys are used in harvesting our coconuts.
