

Organic Vegan Hot chocolate Blend

A smooth, velvety taste with all the richness of premium organic cacao powder, blended with caramel notes of lucuma for a comforting drink to calm and balance the mind. A delicious, rich winter warmer, a relaxing evening treat or a smooth iced chocolate latte to calm and sooth.

Magnesium contributes to normal muscle and psychological function, and reduction of tiredness and fatigue.

SUGGESTED USE:

Simply add 15g serving of vegan hot chcocolate to a cup and mix with a splash of boiling water. Add 240ml of hot or cold plant-based milk of your choice. Sweeten to taste. A little sediment is normal with natural ingredients!

Perfect Hot or Cold
