Green

Appearance

Medium heavy, slightly grainy red/pink dip with some dark red particulates. Square shaped yellow coloured corn chips.

Taste

Characteristic of houmous with beetroot, sesame, lemon and garlic with a kick of horseradish with a salted fried corn chips.

Texture

Medium heavy, slightly grainy red/pink dip with some dark red particulates and crunchy corn chips.

Aroma

Characteristic of houmous, with an earthy aroma of beetroot, garlic, sesame and horseradish paired with fried aroma from the corn chips.

Red

Appearance

Very runny loose product, large particulates, water separation, visible mould growth or gas formation due to fermentation. Corn chips look too broken and small.

Taste

Off flavours, spoilage of product, sour or rancid flavours. Corn chips taste too salty/fatty or rancid.

Texture

Very runny loose product, large particulates, water separation. Corn chips are soggy.

Aroma

Off odours, spoilage of product, sour or rancid aromas.
