BLACK MITCHAM
PEPPERMINT & LEMONGRASS
FACE & BODY SOAP

Our naturally nourishing, triple-refined soap bar
is made with sweet almond oil and has a mild,
moisturising lather that's so gentle it can even be
used on your face. It's infused with our peppermint
and lemongrass fragrance, for an invigorating boost.

WE BELIEVE IN
THE RESTORATIVE POWER
OF PEPPERMINT

We grow, harvest and distil our signature
Black Mitcham peppermint on our family farm
in Hampshire. Black Mitcham is at the heart of
everything we make, and adds a unique, uplifting
twist to our range of lotions, soaps, candles and
diffusers. Take a deep breath and feel revitalised.
