the Pukka story

Founded in 2001, Pukka was born from a shared belief in the extraordinary power of nature.

Each organic blend is crafted by our herbalists and every cup is a celebration of the natural world - its beauty, its brilliance.

We simply help it shine.

Pukka means 'authentic and genuine' in Hindi.

Every organic herbal blend we create is nature at its finest - delicious and crafted with care.

Turmeric takes the lead, a bold, golden root, earthy and complex.

Ginger follows with vibrant warmth, stirring the senses.

Orange lifts the blend with a sweet, bright zing.

With 31% of the hero herb turmeric, a vibrant root for a moment of down time to uplift your spirit.
