RESCUE[®] Night Kids Dropper Raspberry flavour for a restful night. When your child doesn't sleep well, neither do you. Help them settle for sleep and enjoy sweet dreams. Ideal for establishing a mindful bedtime routine, winding down an overactive mind, helping them to resettle and soothe if they should wake during the night. The comforting support they deserve, with a flavour they'll love. Gentle and easy to use. Suitable for ages 3 years and above. Bach[™] RESCUE[®] combines 5 original flower essences discovered by Dr. Edward Bach in the 1930's to provide support in times of emotional demand and to this day is still made using flowers hand-picked from his original gardens in Oxfordshire, UK.
