

A creamy, dreamy Mushroom Pie – made 100% plant-based.

Our **Vegan Mushroom & Roasted Garlic Pie** is comfort food at its finest. Packed with tender white mushrooms and sweet roasted garlic in a silky, herby cashew cream sauce, this **garlic mushroom pie** is rich, fragrant, and incredibly moreish.

All of this savoury goodness is wrapped in Magpye's signature golden shortcrust pastry—flaky, buttery (without the butter), and made from organic UK-grown flour and our unique palm oil-free vegan 'butter' alternative. A sprinkle of thyme on top finishes it with a warm, aromatic touch.
