Enhanced Hydration With Energy Support

Directions: Mix 1 sachet (3.5 g) of powder with 500ml of water. Shake or stir well before drinking. Consume 1 serving per day.

This refreshingly delicious hydration powder is packed with vitamins and electrolytes to support both the mind and the body. In addition to supporting energy, performance and recovery, this dual-action formula has been boosted with natural caffeine. Magnesium contributes to normal muscle function and electrolyte balance. Potassium contributes to the maintenance of normal blood pressure. Vitamin B5 contributes to normal mental performance. Vitamin B12 contributes to normal psychological function and the reduction of tiredness and fatigue. Caffeine helps to increase alertness and improve concentration.

Zero Sugar / Gluten Free / Suitable for Vegans

Storage Instructions: Store in a cool, dry place.

Batch / Best Before End: see bottom of pouch.

Warning: Contains caffeine (50mg/serving). Not recommended for children, or pregnant or breastfeeding women. Do not exceed the recommended daily dose. Keep out of reach of children. Those taking medication should consult with a doctor before use. Food supplements are not a substitute for a varied and balanced diet and a healthy lifestyle.

As per the composition of the hydration powder it is normal for some residue to settle in your glass or bottle.
