Product: Organic Activated Walnuts

FINISHED PRODUCT SPECIF	ICATION		Spec. No. SPEC049
General Information	Issued by:	Authorise by:	Date of review:
	Nadia Mlinko	Nadia Mlinko	19.01.2024, issue 3
Product Title Company Name and Address	Organic Activated Walnut Sun & Seed Ltd 2 Lyon Close Woburn Road Industrial E Kempston, Bedford Bedfordshire MK42 7SB, UK		
Company Telephone	Office: (+44) 02072 677	799 01234 841 196	
Contacts: Accounts Technical	office@sunandseed.com gcert@sunandseed.com		
Emergency/Recall	Mob: 079 44 777 201		
S&S Organic Certification Body Code	GB-ORG-05		
Packaging format	BULK: PP woven or paper	sacks	
Available Quantities	15kg, 20kg		
Ingredients and Allergens			
Legal name / Descriptive name	Organic Activated Walnu	ts	
Ingredients (List all ingredients in recipe, include additives (with E number). (Provide ingredients for any multi-component ingredients)			% in Recipe
100% Organic Activated Walnuts			100%
Origin of primary ingradiants		Draduce of more than a	
Origin of primary ingredients Current Ingredient Declaration / Legal Declaration (include QUID and emphasised Allergens)		Produce of more than one country 100% walnuts	
Sensory Specification (Describe the product in terms of taste, texture, colour, appearance and aroma)		Typical of walnuts. Various shades of brown mottled colouring.	
	exture, colour,	Typical of walnuts. \	
(Describe the product in terms of taste, te		Typical of walnuts. \ Contains	
(Describe the product in terms of taste, te appearance and aroma) Allergens present in: ingredients, additive Cereals containing Gluten namely who	es & processing aids eat, rye, barley, oats and hybridised strains		colouring. Risk of cross contamination
(Describe the product in terms of taste, te appearance and aroma) Allergens present in: ingredients, additive Cereals containing Gluten namely who	es & processing aids eat, rye, barley, oats and hybridised strains muts/peanut derivatives	Contains NO	Risk of cross contamination May Contain
(Describe the product in terms of taste, te appearance and aroma) Allergens present in: ingredients, additive Cereals containing Gluten namely who have been something of the present in	es & processing aids eat, rye, barley, oats and hybridised strains anuts/peanut derivatives pecan, Brazil, pistachio,	Contains NO NO YES	Risk of cross contamination May Contain NO
(Describe the product in terms of taste, te appearance and aroma) Allergens present in: ingredients, additive Cereals containing Gluten namely who Pea Nuts (almond, hazelnut, walnut, cashew,	es & processing aids eat, rye, barley, oats and hybridised strains muts/peanut derivatives	Contains NO	Risk of cross contamination May Contain NO NO
(Describe the product in terms of taste, te appearance and aroma) Allergens present in: ingredients, additive Cereals containing Gluten namely who Pea Nuts (almond, hazelnut, walnut, cashew, Mac Sesame seeds/	es & processing aids eat, rye, barley, oats and hybridised strains muts/peanut derivatives pecan, Brazil, pistachio, cadamia) and derivatives	Contains NO NO YES WALNUT	Risk of cross contamination May Contain NO NO YES
(Describe the product in terms of taste, te appearance and aroma) Allergens present in: ingredients, additive Cereals containing Gluten namely who Pea Nuts (almond, hazelnut, walnut, cashew, Mac Sesame seeds/ Crustacea	es & processing aids eat, rye, barley, oats and hybridised strains muts/peanut derivatives pecan, Brazil, pistachio, cadamia) and derivatives sesame seed derivatives n/crustacean derivatives scs/molluscs derivatives	NO NO YES WALNUT NO NO NO	Risk of cross contamination May Contain NO NO YES NO NO NO NO NO NO NO NO NO

Product specification form

Product: Organic Activated Walnuts

polyunsaturates		49 g	
Carbohydrates		1.5 g	
of which sugars		1.	5 g
Fibre		6.6 g	
Protein		18	8 g
Salt		0.45 g	
All stated Nutritional values are averag	e. They are not meant to ens	ure warranty of characteristics.	They come without
commitment and are not valid for any	claim of warranty and produc	t liability respectively	
Product Handling			
Minimum Shelf-life unopened		Minimum 12 months on delivery	
Storage Conditions		During storage the product should be stored in cool dry	
		conditions and used within BBE date.	
		. Once opened use within 7 days of opening.	
Traceability / Lot Code Format Used		DDMMYY/supplier code	
Instructions for Use, if relevant		Ready to use	
Additional Requirements		<u> </u>	
Origin / Place Of Provenance if required	d	Produce of more than one country.	
Type of Packaging used for retail, which consumers buy		NO	
(film and cardboard box etc)		NO	
Packaged in a protective atmosphere:		NO	
(Vacuum packed or modified atmosphe	ere packaging)		
Product-specific Requirements		NO	
Health Mark		N/A	
(If product needs approval because ing	redients of animal origin)		
Warnings		Not suitable for people with allergies to the allergens	
(vulnerable groups)		listed.	
Quality or Safety Parameters			
Moisture		Max 5%	
Available water		Max 0.6% a _w	
Microbiological Parameters			
		*N/L – No Set Limit	
Microbiological Test	Unit	Guide Value	Limit Value
E.coli	cfu/g	< 10	1.0 ·10^ 2
Salmonella	/ 25g	negative	negative
Listeria monocytogenes	/ 25g	negative	negative

Food additives		
Antioxidant	not present	
Raising agent	not present	
Emulsifier	not present	
Colour	not present	
Firming Agent	not present	
Humectant	not present	
Bulking agent	not present	
Gelling agent	not present	
Flavour enhancer	not present	
Sequestrant	not present	
Preservative	not present	
Flour treatment agent	not present	
Modified starch	not present	
Protective gas	not present	
Acid	not present	
Acidity Regulator	not present	
Foaming agent	not present	
Anti-foaming agent	not present	
Emulsifying salt	not present	
Stabiliser	not present	

Product specification form

Product: Organic Activated Walnuts

Sweetener	not present
Carrier	not present
Propellent gas	not present
Anti-caking agent	not present
Glazing agent	not present
Thickener	not present

INFORMATION ABOUT GMO AND IONIZATION	
GMO	The product is not GMO and does not contain GMO
Ionization	The product is not subjected to ionizing radiation

Packing Bulk*	15kg	20kg
Unit gross weight:	15.2kg	20.3kg
Approx. Unit Dimensions (cm):	39 x 81 x 12	48 x 85 x 13
Number of layers per pallet:	5	3
Number of units per layer:	13	13
Total unit quantity per pallet:	65	39
Approx. Gross weight per pallet:	988kg	791.7kg
Approx. Pallet Height (inc. Pallet):	190cm	170cm
Pallet Length / Depth:	120 cm	
Pallet Width:	80 cm	
Primary packaging:	Bulk: PP woven or paper sacks	

^{*} These packaging formats are based on maximum pallet quantities. Smaller or mixed orders will vary. Pallet configurations based on Euro pallet; standard pallets may be used.

Statements

GMO Statement: Sun & Seed Ltd has policy not to buy, manufacture or use genetically modified products or raw materials.

Gluten Free Statement: Sun & Seed Ltd has policy to buy, manufacture or use only gluten free products or raw materials.

Analysis Assessment Guaranty for tested Organic product:

Allinho

Results of microbiological analysis are in line with HPA ready to Eat guidelines and meet European Union and UK regulations. Results of aflatoxins and heavy metals analyses meet the requirements of the Commission Regulation (EU) 2023/915 setting maximum levels for certain contaminants.

Results of pesticide analysis meet the requirements of the Regulation (EC) 396/2005 on maximum residue levels of pesticides. Results of pesticide analysis meet the orientation limit (0,01 mg/kg) and conform to European Union and UK regulations for organic products.

HACCP: The products are made safely, legally and consistently by following good hygiene practice and good manufacturing practice which are monitored through pre-requisite controls.
