APN Specifications

Colours will be matched on Printing Press as close to the following details:

ALL COLOURS WILL BE MATCHED TO EXISTING PRINT STANDARDS.

 Φ

If you require the colours on this proof to be matched to other sources (ie. bottles, labels or colour swatches etc.), then you must send that sample back with this signed proof. Especially in regards to Press Approved labels as Labelmakers may need to correct files to match your new target, If these items are brought on the day of the Press Approval then you run the risk of having the job lifted if we can not match your samples with minor corrections on the press. APPROVAL REQUIRES 2 ACTIONS: 1) Signature 2) Press Approval circled Yes or No Purchase Order No: Press Approval required

On final approval, please issue Purchase Order number to cover the work completed. PLEASE NOTE: The label will not be manufactured unless this authorisation is receiv Whilst every effort is made to present this proof and all it's associated details correctly it is the customers responsibility to ensure all details meet their requirements, your signature indicates your acceptance that all is correct. If not, please return proof unsigned and with corrections clearly marked.
