Product Information

Title

Beco Plush Octopus Dog Toy Medium

Description

Meet Ollie, a cute and squeaky soft toy that's great for a snuggle. Its legs give your dog a little something extra to have fun with and throw around. With reinforced seams and double-layered cloth give it an extra bit of strength. This fishy friend is ready to be your dog's new best friend. This toy is made with 80% recycled materials, giving waste another (more playful) life.

Key Points

- Made from recycled materials
- Double stitched
- Double layered
- Squeaker inside

Materials

80% Recycled Materials
(Polyester, Polypropylene),
Polyester, Squeaker

Dimensions

M – 12 x 26 x 4cm

Further Information

The stuffing of this toy is made from recycled materials, giving waste a second life and encouraging its reuse. The panels are woven together with double stitching and the seams are reinforced with a second layer of cloth. On top of the reinforced seams, the cloth itself is double layered to give extra resilience against chewers. As hardy as they come, so your dog can have double the fun.
