- ✓ Vitamin B12 contributes to normal red blood cell formation.
- ✓ Vitamin B12 contributes to the reduction of tiredness and fatigue

DIRECTIONS: Take 1 level measure every other day under the tongue, with or between meals, or as your health professional advises. Do not exceed recommended daily intake. A daily multivitamin is also recommended.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Contains xylitol; do not feed to dogs.
If consumed, seek veterinary advice.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
