Description

The Natural Deodorant Co. Bamboo Spatula offers customers a simple, convenient alternative to applying deodorant balm by hand.

Made from natural bamboo, the spatula is designed to scoop the ideal amount of deodorant from the jar before applying directly to the underarm. Its smooth, rounded shape makes application easy while helping to keep fingers clean.

The spatula can be wiped clean after each use and reused again and again, making it a practical, long-lasting accessory to accompany any of The Natural Deodorant Co.'s deodorants.

Key selling points include natural bamboo construction, reusable design, easy application and compatibility with all jars.

An ideal add-on purchase for new customers who may be hesitant about applying deodorant by hand, the Bamboo Spatula provides an alternative way to enjoy The Natural Deodorant Co.'s effective cream deodorants.
