Q&Q QUESTIONS & QUESTIONS

Who was it that said a question is the capsule for its own answer? No idea, but wouldn't it be great for the evolution of our collective knowledge if answers to the most curious questions came in the form of a new, curious question? We don't know, what do you think?

Isn't it better to make your own oat drink?

Sure, but isn't it better if we make our own oat drink for you?
