KALE
3D CLEANSE
NETTOYANT
3D AU KALE

Colour changing facial wash to lift impurities and reveal healthy, radiant skin.

Hyaluronic acid, probiotics and oxygenating extracts work in synergy to energise and refresh the skin as this facial wash removes

make up and grime. Kale and Griffonia detoxify and protect against pollution, helping

to minimise signs of ageing.

Ce nettoyant 3D au Kale démaquille et élimine en douceur les impuretés et révèle une peau saine et lumineuse. L'acide hyaluronique et les probiotiques agissent en synergie pour revitaliser et rafraîchir
