Description:

Moringa is a fast-growing tree native to the Indian subcontinent that has been used for centuries in traditional Ayurveda due to its numerous natural benefits. Moringa Oleifera, often referred to as the 'Miracle Tree', contains numerous health compounds. In fact, Moringa is a popular SuperPlant used by many to help boost the immune system and feel more energized. Therefore, a balanced diet, combined with our organic moringa extract capsules, may help your body feel more energized!

General benefits:

Moringa Oleifera is one of the most sought-after plants due to its exceptional nutritional properties and has been used for centuries in traditional Ayurveda due to its numerous benefits. Subject to hundreds of studies, Moringa has been found to: enhance the immune system, accelerate metabolism, help fight hyperthyroidism and hypertension and reduce the manifestation of neurological disorders. Not only this, but True Veda Moringa capsules can help to provide an extra boost every day by energizing your body completely naturally!

We never compromise on quality and only use natural ingredients; our premium Moringa supplement is pure & clean and attained Organic approval by Soil Association. In fact, one True Veda Moringa Extract Capsule provides the equivalent strength of TEN Moringa Powder Capsules.
