RRP  
£18.00

ITEM CODE 5069-R

Our bestselling foot exfoliator and smoothing tool is infused with silver for protection from bacteria and germs. Premium quality, this antibacterial callus removal stone is a German-made, fully waterproof ceramic stone with an ergonomic handle.

High quality Sole Smoother is ergonomic and durable allowing effective removal of calluses

Durable and long lasting ceramic stone and plastic handle infused with silver for enhanced hygiene

The fully waterproof design can be used in the shower or bath

## HOW TO USE

Soak feet to prep and help soften hard skin.  
While skin is still soft and damp, use the rough side to exfoliate rough patches.

Use the opposite side to smooth bottoms of feet and around toes.

**CAUTION:** Not for use for diabetics, haemophiliacs or those with circulatory problems.
