redefining natural skincare

## Balmonds Body, Hand & Hair Wash: a 3-in-1 natural wash for all ages and skin types

with chamomile, lemongrass + sweet basil

### The Balmonds Body, Hand & Hair Wash USP

Our all-purpose herbal wash was designed to be extra gentle for those with fragile or sensitive skin. Made with botanical extracts, natural conditioning agents, and mild plant-based surfactants, it's free from the synthetic irritants, fragrances and sulphates that can sometimes cause irritation or reactivity.

Balmonds Body, Hand & Hair Wash can be used all over the body and by all ages (over 6 weeks), which makes it a great choice to wash little ones with eczema or itchy skin: the wash won SILVER in the Green Parent's 'Best Children's Shampoo' category in 2023, and is dermatologist- and paediatrician approved.

Balmonds Body, Hand & Hair Wash is 99% natural, cruelty-free and Vegan Society certified
