[Directions]

How To Use

Daily Serum: Apply a few drops to scalp and comb through to ends.

Intensive Treatment: Section dry or damp hair and apply a few drops directly to the scalp using circular motions (comb through hair for deep conditioning). Leave on for 15-30 minutes or overnight for a deep treatment, then rinse.

Storage:

Store in a cool, dry, and dark place, away from direct sunlight and heat sources, to help maintain the natural properties and effectiveness of the scalp oil. Always keep the bottle tightly sealed to preserve freshness. Keep out of reach of children and pets. The expiration date is printed on both the bottle and the outer packaging. For best results, refer to the open jar icon, which indicates how many months the product remains fresh after opening.

Warnings: For external use only. Keep away from flames and high heat. Keep out of reach of children and pets. Do not use on pets. May increase skin sensitivity to sunlight. Avoid contact with eyes or mucous membranes. These essential oils contain known skin allergens.

Discontinue use immediately if redness or irritation occurs. If pregnant or breastfeeding, consult a health professional before use. In case of accidental ingestion, call a Poison Control Centre or doctor immediately and advise them that this product contains eucalyptus oil.

FAQS

What hair types is the Rosemary Repair Scalp & Strand Oil best for?

It's suitable for all hair types, from straight to coily, fine to thick, and it's dermatologically tested for sensitive scalps.

Will it make my hair look greasy or weigh it down?

No. The lightweight, fast-absorbing formula delivers nourishment without heaviness.

Can I leave this oil on my hair overnight?

Yes. For an intensive conditioning boost, apply to damp hair, leave overnight, and wash out in the morning.

Is it safe for color-treated hair?

Yes. It's free from harsh sulfates and formulated to be gentle on color-treated strands.

What role does biotin play in hair care?

Biotin, also known as vitamin B7, helps strengthen hair strands and support the appearance of thicker hair.
