Mountains of the Moon" stands for pure and exceptional products, produced in harmony with nature and in a way that is lasting & fair, a philosophy that our company follows since four generations.
Our cocoa and vanilla is grown on the own plantation and by over 1000 small farmers. It is certified organic and fair trade "Fair For Life®". To assure impeccable quality farmers are trained to pay due attention to land, terrain and micro-climate to best match sites, crops and agronomy and only healthy and mature fruits are harvested.
The fair and transparent cooperation with the farmers helps to assure that farmers and their families earn a decent living and can build their future on organic farming cocoa and vanilla.
