Flora Pact

Designed for women's gut and intimate health

Flora Pact is a premium daily live culture formula developed specifically for women, combining 20 billion CFU (per serving) from five complementary live culture organisms with chicory inulin (FOS) prebiotic fibre.

Created for women looking to make microbiome support part of their everyday wellness routine. The formula includes *Lactobacillus rhamnosus*, *L. reuteri*, *L. acidophilus*, *Bifidobacterium bifidum* and *Saccharomyces boulardii*. Unlike standard single or limited strain products, Flora Pact takes a broader multi-strain and prebiotic approach in one convenient daily formula.

WHY STOCK NUTRIPACT FLORA PACT?

20 Billion CFU per serving
High-strength daily formula combining multiple live cultures in one convenient serving.

Strong Repeat Purchase Potential
30-day supply designed for routine supplementation and repeat purchasing.

Multi-Strain + Prebiotic Formula
Combines five live-culture organisms with chicory inulin (FOS)

Women's Wellness Category
Fits the growing specialist women's wellness segment and offers stockists an alternative to general-purpose live-culture products.

Designed Specifically for Women
Targeted at women seeking a specialist daily supplement for their gut and intimate microbiome routine.

Manufactured in the UK
