*In vitro testing shows improved survival of dual-encapsulated live bacteria formulation in digestive conditions compared to standard probiotic strains. Vitamins B12 and C contribute to normal energy-yielding metabolism and the reduction of tiredness and fatigue. Vitamins C, D, B12 and Zinc contribute to the normal function of the immune system. Zinc contributes to the maintenance of normal skin and the protection of cells from oxidative stress.

- Suitable for vegans
- Take one capsule daily
- Free from dairy and soy
