Polygonum extract is derived from the roots of *Polygonum cuspidatum*, also known as Giant Knotweed, a plant in the Polygonaceae family. Our resveratrol capsules are made up of 100% pure, dried Giant Knotweed extract, providing 98% trans-resveratrol. No separating agents, fillers or flow agents are used. The Giant Knotweed is sustainably grown and processed gently so that active ingredients retain their effectiveness.

Best before end: See base.
Storage: Store in a cool, dry place away from direct sunlight. Refrigeration is not required.

Food supplements should not be used as a substitute for a varied diet. Keep out of reach of children. Do not exceed the recommended daily dose.

Caution: Not recommended for pregnant or lactating mothers.

Suitable for vegetarians and vegans. Naturally free from gluten and wheat. NO ARTIFICIAL COLOURS, PRESERVATIVES, SWEETENERS, BINDERS OR FILLERS
