

CLOVE COMPLEX

90 CAPSULES / 525mg

Clove, Wormwood & Green Black Walnut Hull 525mg – 90 Vegan Capsules – High Strength Multi-Botanical Complex Supplement – Resealable and Recyclable Pouch by Alpha01

PRODUCT DESCRIPTION

This multi-botanical complex combines black walnut, clove and wormwood in one convenient daily capsule. Contained inside one of the hardest shells of all nuts, Black Walnut has a bolder and earthier flavour than regular walnuts. Clove has an unmistakable fragrance and is used all over the world in foods, drinks, cosmetics, health supplements and even essential oils. Wormwood is a bitter herb with quite the reputation, mainly due to its use as a flavouring in the spirit absinthe.

FORMULA OVERVIEW

Bringing together three heritage botanicals, this blend is thoughtfully balanced for those seeking a measured approach. Each capsule combines black walnut powder with organic clove and organic wormwood to deliver 525 mg of finely milled herbs. The plants are dried gently and ground without solvents to preserve their distinctive aromas and natural colours, then blended with organic brown rice flour for consistency. A vegan hypromellose capsule protects the blend from light and humidity, ensuring a pure formulation with no artificial additives. 90 servings arrive in a resealable, recyclable pouch that stores neatly and travels well. Designed to fit easily into a modern routine, this complex invites the earthy warmth of traditional herbs into daily life in a smooth experience. Crafted in the EU under GMP conditions with non-GMO ingredients, it reflects Alpha01's commitment to mindful sourcing and quality.
