RAW CHOCOLATE COMPANY

VEGAN ORGANIC
CACAO POWDER

Our cacao powder has a dark and full flavour.
It makes a fabulous high protein addition to your smoothie or
shake. Great in puddings, in baking and cooking. Try making your
own chocolate!

High in iron - which contribute to normal energy-yielding metabolism.
High in magnesium and potassium - which contribute to normal
functioning of the nervous system. High in protein and fibre.

100% ORGANIC INGREDIENTS: cacao powder from Africa.
Cadmium content is in line with the required regulations.
