About Hilltop:		<p>Founded in 2011 by young beekeeper Scott Davies, Hilltop Honey has a passion for delivering the most exceptional tasting natural wholefoods from all corners of the world and have grown to the second-largest honey brand in the UK.</p> <p>Located in Mid Wales, Hilltop produces a wide range of products including honey, organic honey, maple syrup, agave, and health & beauty products. Products are available in reusable glass jars, fully recyclable squeeze bottles, and biodegradable materials.</p> <p>From humble beginnings, born from a love of beekeeping in the beautiful Welsh countryside. Hilltop are proud to produce, pure and natural products with nothing added and nothing taken away.</p> <p><u>Why choose Hilltop?</u></p> <ul style="list-style-type: none">• Fully traceable honey• Honey tested for authenticity• Honey experts with a dedicated in-house technical team• Privately owned family ran business• BRC Grade AA accredited• Organic products certified by the Soil Association• Products certified by KLBD• Great Taste Award Winners 2021 & 2022• Sustainable-focused business• Carbon neutral business• Products available in reusable glass jars or easy-squeeze PET recyclable bottles• B Corporation Certified business• Living wage employer				
Product Description:						
Product Description:		<p>The natural sweet substance produced by Apis mellifera bees from the nectar of plants or from secretions of living parts of plants or excretions of plant-sucking insects on the living parts of plants, which the bees collect, transform by combining with specific substances of their own, deposit, dehydrate, store and leave in honeycombs. Pure, sound and unadulterated, without fermentation or other off-flavours, with no added sugar.</p>				
Consumer Paragraph / Organoleptic Profile:		<p>Hilltop Soft Set Honey has been specially crafted to be consistent in taste, colour and aroma, for use every single day, throughout the year. There is nothing added and nothing taken away; It's simply, pure and natural honey.</p>				
Product info:		<ul style="list-style-type: none">• Perfect sugar alternative• 100% pure and natural• Tested for authenticity• Nothing added, nothing taken away

Legislation/References:

- Honey (England) Regulations 2015 No. 1348
- EC Directive 2001/110/EC relating to honey
- EC Directive 2008/772/EC on the approval of residue monitoring plans submitted by third countries in accordance with Council directive 96/23/EC
- Commission Regulations (EU) No. 37/2010 on pharmacologically active substances and their classification regarding maximum residue limits in foodstuffs of animal origin.
- CODEX Standard for Honey 12-1981
- Regulation (EC) No. 1935/2004 on materials and articles intended to come into contact with food.
- Commission Regulation (EU) No. 10/2011 on plastic materials and articles intended to come into contact with food.

Final Comments:

This honey is a creamed honey so it has a rich thick consistency which can be spooned from the jar.
