

Natures Truth Prostate Plus+ - 60 Tablets

OVERVIEW:

Nature's Truth Prostate Plus Tablets combine a powerful blend of botanicals, minerals, and vitamins to support men's health and wellbeing. Featuring nettle leaf, pumpkin seed, turmeric, zinc, and vitamin B2, this carefully crafted formula is designed to help maintain normal prostate function, support urinary health, and provide antioxidant protection. Each tablet delivers a concentrated combination of traditional plant extracts and essential nutrients to help men feel their best every day.

KEY INGREDIENTS & BENEFITS:

Nettle Leaf (*Urtica dioica*) 4:1 Extract: Traditionally used to support urinary tract function, nettle may help promote healthy urinary flow and comfort.

Pumpkin Seed (*Cucurbita moschata*) 10:1 Extract: Rich in natural phytonutrients, pumpkin seed has long been associated with supporting prostate and bladder health.

Turmeric Root (*Curcuma longa*) 50:1 Extract: A well-known botanical with antioxidant properties that help protect cells from oxidative stress.

Zinc Oxide: Zinc contributes to the maintenance of normal testosterone levels in the blood and plays an essential role in supporting immune function and cell protection.

Vitamin B2 (Riboflavin): Contributes to normal energy-yielding metabolism and helps protect cells from oxidative stress, supporting overall vitality.

Together, these ingredients deliver a comprehensive formula to help support prostate health, urinary function, and long-term wellbeing for men.
