HYDROLYSED MARINE COLLAGEN POWDER

Advanced Beauty Marine Collagen Complex

Derma Pact is a premium hydrolysed marine collagen peptide powder formula providing 10,000mg of marine collagen (Type I & III) in every serving. The ultra-fine, unflavoured powder dissolves easily into hot or cold drinks with no added sugar, flavours or unnecessary ingredients.

Unlike standard collagen powders, Derma Pact combines marine collagen with Hyaluronic Acid, Biotin, Vitamin C and Essential B Vitamins to deliver a more complete daily beauty and wellbeing formula. Vitamin C contributes to normal collagen formation for the normal function of skin, cartilage and bones, while Biotin contributes to the maintenance of normal skin and hair.

DIRECTIONS:

Adults, add 1 level scoop of powder to 250ml water or juice. Collagen dissolves more effectively when shaken rather than stirred. It can be used in a cold or warm drink though it will dissolve better under tepid conditions. You can sprinkle over yoghurt or cereal and mix in thoroughly.

CAUTIONS:

Food supplements must not be used as a substitute for a varied, balanced diet and a healthy lifestyle. Please consult with a healthcare professional before use, especially if you are pregnant, breastfeeding, taking any medications or under medical supervision. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing. This product is not intended to treat, cure or prevent any disease. Do not exceed the stated recommended daily dose. Discontinue use if adverse effects occur. Not suitable for vegans or vegetarians.
