

HU46275 Mushroom Coffee - 5 Mushrooms + Vit B12 & D

OVERVIEW:

Elevate your daily routine with Wiseshrooms Mushroom Coffee, a unique blend combining the rich flavour of coffee with the potent benefits of adaptogenic mushrooms and essential vitamins. Formulated to support focus, energy, and overall well-being, this coffee blend is ideal for those looking to start their day with a functional twist.

KEY INGREDIENTS & BENEFITS:

Dried Coffee Extract: Provides a rich and robust coffee flavour while delivering a natural energy boost.

Ashwagandha Root (KSM-66®): Renowned adaptogen that may help reduce stress and support mental clarity.

Cordyceps Sinensis (20:1 Extract): Traditionally used to support stamina and physical performance.

Shiitake Mushroom Powder: Packed with nutrients and known for its immune-supportive properties (contains sulphites).

Lion's Mane (10-15:1 Extract): May promote cognitive function and mental focus.

Reishi Mushroom (15:1 Extract): Often referred to as the "mushroom of immortality," it supports relaxation and immune health.

Chaga Mushroom Powder: An antioxidant powerhouse that helps combat oxidative stress.

Vitamin B12: Essential for energy metabolism and nervous system function.
