

MU13270 Neocell Advanced Marine Collagen Peptides

Neocell Advanced Marine Collagen Peptides 200g Powder (Dose 5-10g)

OVERVIEW:

NeoCell Super Hydrolysed Marine Collagen Complex Powder is designed to support youthful, radiant skin from within. Sourced from premium hydrolysed fish collagen, this unflavoured powder delivers key beauty nutrients that help replenish the body's natural collagen stores and promote elasticity and firmness. Enriched with vitamin C to support collagen synthesis and hyaluronic acid for hydration, this advanced formula helps maintain smooth, supple skin and a healthy, luminous glow.

KEY INGREDIENTS & BENEFITS:

Hydrolysed Marine Collagen: Sourced from fish, this highly bioavailable form of collagen supports skin elasticity, firmness, and hydration.

Vitamin C (Calcium-L-Ascorbate): Plays a vital role in natural collagen production and helps protect cells from oxidative stress.

Hyaluronic Acid (Sodium Hyaluronate): Known for its moisture-retaining properties, helping to keep skin plump and hydrated from the inside out.

Unflavoured Formula: Perfect for blending easily into water, smoothies, or your favourite drinks without altering taste.

DIETARY:

Gluten Free

Dairy Free

Wheat Free

ALLERGENS:

Contains fish-derived ingredients. Please refer to ingredients in bold.

ADDITIONAL INFORMATION:

For adults, mix 5g (approx. 1 teaspoon) with 250ml of water. Consume once daily, preferably with a meal. Do not exceed the stated dose.

Packaging is 100% recyclable.

Made in the EU under GMP and BRC accredited standards, ensuring top quality and safety.
