

Directions for use:* 2 capsules daily with or after the main meal.

Children over 12: 1 capsule daily with or after the main meal.

Children under 12: As recommended by your doctor or healthcare practitioner.

Pregnancy: Bio-Kult Candéa is suitable for use during pregnancy, but we would always suggest consulting your doctor or healthcare practitioner before taking any food supplement.

Grapefruit is contraindicated with the intake of statins; please seek medical advice if you are taking statins, before taking Bio-Kult Candéa.

*Or as recommended by your doctor or healthcare practitioner.

Do not exceed recommended daily intake.

Live bacterial cultures:

Lactobacillus casei PXN 37
Lactobacillus rhamnosus PXN 54
Lactobacillus acidophilus PXN 35
Lactobacillus delbrueckii ssp. *bulgaricus* PXN 39
Streptococcus thermophilus PXN 66
Bifidobacterium breve PXN 25
Bifidobacterium longum PXN 30

Ingredients: Cellulose (bulking agent), Grapefruit Seed Extract, Vegetable Capsule (Hydroxypropylmethyl Cellulose) Garlic, Live bacteria (see above).

Allergen advice: May contain soya and milk as these are used in the growth media of the strains. Traces of milk are at a level that would not affect lactose intolerance sufferers.

Each capsule contains:

Grapefruit Seed Extract 130mg
Garlic 60mg
1 billion live microorganisms CFU/capsule (1 x 10⁹ CFU/capsule).
Concentration of 1 billion microorganisms per capsule is guaranteed throughout the shelf life.

Bio-Kult®

Candéa®
