

Protection quotidienne enrichie en curcuma antioxydant et peptides anti-âge, cette brume visage renforce les défenses naturelles de la peau pour lutter efficacement contre les agressions extérieures telles que la pollution et le stress oxydatif.

MODE D'EMPLOI:

Cette brume est un produit multifonctionnel qui peut être utilisé tout au long de la journée sur le visage et les cheveux pour réhydrater, protéger et rafraîchir. Formule bi-phasée. Bien agiter avant emploi. Fermer les yeux et vaporiser selon les besoins.

INGREDIENTS:

Aqua, Glycerin**, Polyglyceryl-10 caprylate, Glycyrrhiza glabra (licorice) root extract*, Curcuma longa (turmeric) root extract*, Pisum sativum (pea) peptide, Bisabolol, Citrus aurantium amara (petitgrain) leaf oil*, Pelargonium graveolens (geranium) flower oil*, Lavandula officinalis (lavender) flower oil*, Sodium hyaluronate, Saccharomyces/Zinc ferment, Saccharomyces/Copper ferment, Saccharomyces/Magnesium ferment, Saccharomyces/Iron ferment, Saccharomyces/Silicon ferment, Levulinic acid, Sodium levulinate, Aloe barbadensis leaf juice powder*, Potassium sorbate, Sodium benzoate, Citral, Citronellol, Geraniol, Limonene, Linalool, Coumarin. *Certified organic. **Made from mixed organic and non-organic ingredients. HOW TO USE: This mist is a multifunctional product which can be used throughout the day on the face and hair. The appearance of the product is two-phase. Shake into one phase to activate.

PROTECT AND PREP: Close eyes and spritz over the face in the morning to refresh and hydrate the skin, as a primer before make-up application and to protect the skin against pollution and oxidative stress.

REFRESH: Reapply over makeup during the day, as 'a time for yourself' if you feel stressed or tired, or if the skin feels particularly dry or irritated. Can also be used during the day on the hair to refresh the hairstyle / give a volume boost

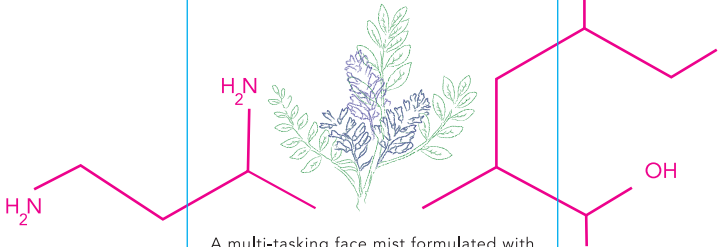

HYDRATE: Spritz again before bedtime, under or over your usual moisturiser, to soothe the skin after UV exposure and for a hydration-boost that will help the skin regenerate during the night.
