STROUD BREWERY LIMITED EDITION

A rich, malty profile balanced with a touch of
hoppy bitterness - Märzen is the traditional beer
of Oktoberfest. Originating in Bavaria, this amber
lager is known for its deep colour, full body, and
smooth malt character. Historically brewed in
March and stored (or lagered) until autumn,
"Märzenbier" quite literally means "March beer."
Best enjoyed head-to-toe in lederhosen.

Our adventurous

series explores
